To the President of the Sena Madam—I have this day Enrolled Senate Bill No.

December 22, 1997

Today I have signed Enrolled Senate Bill 252 containing fiscal year 1997 supplemental appropriations for Capital Outlay, the Department of Military and Veterans Affairs and the Department of Community Health, and fiscal year 1998 supplemental appropriations for the Department of Natural Resources for Natural Resources Trust Fund projects. My action today accomplishes the following:

- Provides final payment for the acquisition of mineral rights in the Nordhouse Dunes area under the 1995 court approved settlement.
- Includes over \$7 million for land acquisition and grants and over \$3 million for public recreation facility development through the Michigan Natural Resources Trust Fund.
- Provides estimated funding of a fiscal year 1997 obligation involving per diem costs of annual training for enlisted personnel who served in the Michigan Army National Guard or the Michigan Air National Guard between February 12, 1988, and the present.
- Includes funding for the purchase of an aircraft hangar and land for the Department of Military and Veterans Affairs, providing modern and secure storage of aircraft stationed at the Grand Ledge armory.
- Provides a language section authorizing that casino gaming operations be funded by casino gaming funds. If such funds are not available, the Director of the Department of Management and Budget may make advances from the general fund to finance operations with a provision to repay the general fund with interest.
- Provides an additional \$2 million to the Department of Community Health for the state/local cost sharing arrangement. These monies will ensure that the state and local governments share equally in the cost of specified cost shared services which include vision and hearing screening for our children as well as immunizations; drinking water, food service and on-site sewage protection; and sexually transmitted disease and general communicable disease control.

I thank the Legislature for its work on this supplemental appropriations bill.

Sincerely, John Engler Governor
